Getting Started

Creating Your Account

Page	URL	What You'll Do
Sign Up	/sign-up	Register with your email to create a new buyer account
Sign In	/sign-in	Log in with your email and password
OTP Verification	/otp-verification	Enter the security code sent to your email

Account Recovery

Page	URL	What You'll Do
Forgot Password	/forgot-password	Request a password reset link via email
Reset Password	/reset-password	Create a new password using your recovery link

Browsing the Marketplace

Discover Creators & Assets

Page	URL	Purpose
Home Page	<code>/</code>	Your starting point — explore featured artists and new assets
Creator Marketplace	<code>/creators</code>	Browse all available creators with search and filters
Inventory & Assets	<code>/inventory</code>	View the complete gallery of roleplay assets (Characters, Lorebooks, Backgrounds, etc.)
FAQ	<code>/faq</code>	Find answers to common questions about the platform

Exploring a Creator's Profile

Page	URL	Purpose
Creator Profile	<code>/creators/[creatorId]</code>	View a creator's portfolio, service packages, and pricing
Creator Reviews	<code>/creators/[creatorId]/review</code>	Read detailed customer testimonials and ratings

Making a Purchase

Two Ways to Buy

Option 1: Direct Purchase

Purchase a creator's pre-defined service package instantly.

Page	URL	What You'll Do
Direct Purchase	<code>/creators/[creatorId]/purchase-preservelect</code>	Select a standard package and proceed to checkout

Option 2: Custom Package

Configure a personalized order with specific requirements.

Page	URL	What You'll Do
------	-----	----------------

Custom Package	<code>/creators/[creatorId]/custom-package</code>	Define your requirements, quantities, and preferences before payment
-----------------------	---	--

Posting a Bid (Request for Proposals)

Let creators come to you by posting what you need.

Page	URL	What You'll Do
My Bids Dashboard	<code>/post-a-bid</code>	View and manage all your open character requests
Create New Bid	<code>/post-a-bid/new</code>	Post a new request with project scope, budget, and asset details
Edit Bid	<code>/post-a-bid/[bidId]/edit</code>	Modify your request before a creator is assigned

Managing Your Orders

Order Tracking

Page	URL	Purpose
My Orders	<code>/orders</code>	Central hub for all your active and completed commissions
Order Preview	<code>/orders/[orderId]/preview</code>	Review delivered assets, request revisions, or approve work

Order Preview Actions

When viewing a delivered order, you can:

-  **Approve** — Accept the work and release payment
-  **Request Changes** — Ask for revisions
-  **Message Creator** — Discuss details directly

Communication Tools

Page	URL	Purpose
Inbox	/inbox	View all notifications for orders, bids, and platform updates
Messages	/messages	Real-time chat with creators about your projects

Account Management

Page	URL	What You Can Do
Profile Settings	/profile	Update display name, email, password, and notification preferences
